Avon Girls Softball Value Cards

Avon Girls Softball Program would like to continue to partner with community business and is soliciting local sponsors for our 2010 Value Card. This is the major fundraising event that the Avon Girls Softball Program will undertake this year and is the largest fundraiser for the organization.

Here is how it works:

- A merchant authorizes a discount for their product that has to be honored from 5/1/10 through 4/30/11. The deal is printed on a card that gets redeemed at the point of purchase when the card is shown.
- There is ZERO cost to the merchant to have their “deal” on the card, they just have to honor the deal for 1 year.
- Members of the Avon Girls Softball Program sell these cards in the community for \$10.00 a card.
- Pretty simple!

Due to a possibility of an overwhelming response by merchants to be involved we will have to limit the number of sponsors on the card. After all the forms are returned a selection committee will decide who gets on the card. Approximately 15 of the BEST DEALS will be on the end product! We are enclosing a sample copy of a card so you can see what the Avon Girls Softball Value Card may look like! If your deal is selected, you will also receive a **free** advertisement in our 2010 Alan Bailey 14U and 12U Tournament Program (June 12th) along with the possibility of an opening day program.

If interested, please fill out the form below and mail it or send and email with the information but it must be received by 3/1/10!
