Leadership Livingston Application Form: **September 2012 - June 2013 Program.** Second Thursday of the month from **8:30am - Noon.**

Leadership Livingston will identify leaders in the community, present the issues facing our towns and villages, and challenge our stakeholders to work collaboratively to enhance the quality of life for our citizens.

Leadership Livingston challenges leaders to face the future through collaboration, action and reflection.

**Why Leadership Training?**

Leadership training recognizes a growing concern in our community: who will step forward to serve on boards, work on task forces, and conceptualize programs of work?
