

Geneseo Health Campus Community Coalition

Awards Nomination Form

2011 – 2012

To recognize those organizations and individuals that have distinguished themselves through their commitment to the aims of the Geneseo Healthy Campus Community Coalition, the Coalition has established an awards program.

The Coalition is seeking nominations for two awards, the Spirit of Geneseo Award and the Responsible Community Citizen Award.

The Spirit of Geneseo Award has been established to recognize an organization or individual that took a leadership role among community entities to collaborate on a project that has demonstrated a substantive long-term commitment to the ideals of the Healthy Campus Community Coalition by promoting the community welfare as it relates to the sale and consumption of alcoholic beverages.

The Responsible Community Citizens Award has been established to recognize an organization or individuals that made an exemplary effort in the past year to make a positive difference in the Geneseo community by promoting positive personal choices and/or the responsible sale and use of alcoholic beverages in our community. Examples of efforts include educational programs, implementing a change initiative, alternative social events, bystander intervention programming, and role modeling responsible decision-making.

To nominate an individual or organization, please complete the following information. All completed nominations should be forwarded to Rachel Pena at r.pena17@yahoo.com. The nominations will be reviewed by a committee consisting of Rev. Dr. Nancy Lowmaster, Pastor, Geneseo Central Presbyterian Church; Cynthia Oswald, President, Livingston County Chamber of Commerce; and Craig Veley, Assistant Principal and Director of Athletics, Geneseo Central School.
