

Your children will have fun learning...

- To be **FINANCIALLY FREE!**
- To **EARN, BUDGET, SAVE & INVEST!**
- How their **THOUGHTS/BELIEFS** influence their wealth potential!
- Passive income is the key to wealth!
- Tips, tricks, tools and more!

"The most valuable thing I learned at Money Camp is that becoming a millionaire is your choice, not a dream."
—Julie, age 14

"Money Camp was a great experience! It taught me many valuable things and lessons that really will last a lifetime. It was cool and I had a lot of fun."
—Sarah, age 12

The Money Camp is an innovative day camp that teaches kids how to make, manage and multiply their money!

Using interactive GAMES and ACTIVITIES kids learn the basic time-tested principles of creating financial freedom: Topics may include but are not limited to the following:

- How our beliefs and attitudes influence how we make and manage money.
- That money is simply a form of energy.
- Passive income streams are the answer!
- The many ways people earn and make money (employee, self-employment, business owner or investor).
- How to put money to work using the stock market, real estate, and business.
- How to set goals and manage their money.
- The importance of helping their community, i.e. giving back.

The Money Camp is based on simple principles like:

- You are the CEO of your own life.
- Pay yourself first.
- Save early-Save often.
- The three pillars of wealth (stocks, real estate & business) that produce passive income.
- Put your money to work for you.
- How much money you make is less important than how much money you keep.
- The key to creating financial freedom is smart money habits.
- Life is an adventure, let passion be your guide.

Please check our website for a complete listing of camps around the United States.

Want to help us change the financial literacy statistics in the US? We're looking for people who want to host their own Money Camps! Attend one of our unique Teach Training Camps and learn to teach a Money Camp in your community!

YES, I want my child to grow up financially responsible and be able to create financial freedom!
