Welcome to the New Frontier

© 2009 Frontier Communications Corporation. \$89.99 offer requires customer to order both Frontier Business Unlimited (FBU) and Frontier Business High-Speed Internet (BHSI) services. A two-year Price Protection Plan (PPP) applies. A \$250 early cancellation fee applies. FBU service is subject to a maximum of 10 lines with Unlimited Long Distance voice service per customer. FBU Long Distance minutes exclude toll free, 900, international, directory assistance, information services, dial-up Internet calls, telesales and telemarketing applications. Additional non-FBU lines will be charged 5c per minute for domestic Long Distance calling and normal Local Measured Service charges for local calls. If unlimited minutes are used for non-voice calls, Frontier may charge 10c per minute for non-voice Long Distance calls. Customers with usage inconsistent with normal commercial voice applications and usage patterns may be converted to non-FBU service, with charges for local and Long Distance calling. Customer is responsible for taxes and surcharges on free second line. Limit one free line per account. Free line must be new and at the same physical address as the main FBU line. Free line continue for the life of the PPP. Electronic or other written contract signature is required. Some Frontier services are subject to availability and may require feature-enabled equipment. Installation options vary and charges may apply. New Frontier customers are subject to credit approval. Applicable taxes and surcharges apply. Offer expires 6/30/09. Frontier reserves the right to withdraw all or any portion of this promotional offer prior to expiration date. Other restrictions apply.
